Administration of Kathrid and the Empowerment of Kyilchog Dorji Threngwa

NOTICE TO ALL DEVOTEES

The Kathrid Committee would like to inform all devotees that preparation and seating arrangement works are currently underway at Kuenselphodrang. We have observed that some individuals are occupying or reserving seats while the setup is still in progress, which is causing inconvenience to the workers and disrupting the preparations.

We wish to assure everyone that adequate seating arrangements are being made to accommodate all attendees. Therefore, reserving, marking, or pre-occupying seats in advance is kindly not permitted.

We respectfully request all devotees to refrain from occupying seats until the preparation works have been completed and the venue is officially opened for seating.

Please also note that the Kathrid and Khawang will commence on 15 June 2026, corresponding to the 30th day of the 4th Lunar Month.

We sincerely appreciate your understanding, patience, and cooperation, and thank you for your continued support in ensuring the smooth and orderly conduct of this sacred event.
